About us

Baltic Travel Group was established in 2000 and belongs today to the leading Destination Management Companies in the Baltic States offering a full range of inbound travel services to individual, corporate and group clients.

Baltic Hotels Online is an innovative project that was developed in co-operation with **Visit Technology Group AB**, one of the leading supplier of Internet based travel solutions for the tourism and travel industry, based in Goteborg, Sweden.

On-line cooperation

- ✓ We offer on-line booking solution for our partners: **Hotels, Travel Agents and Tourism Websites**. Each partner will have its own approach and benefits while operating with the same on-line reservation system **Citybreak**.

The Benefits for Travel Agents

- ✓ Reservation system access for 24 hours a day, 365 days a year from any computer with Internet connection all around the world
- ✓ Possibility to sort hotels by rate, classification or name saving your and your client's time
- ✓ All necessary information about your accommodation – hotel and room pictures, location, facilities and room
- ✓ Immediate confirmation, invoice and vouchers
- ✓ Possibility to integrate the Booking engine on your own website

The Benefits for Hotels

- ✓ Your hotel can be booked directly via numerous tourism websites
- ✓ A fast and easy Booking engine installation on your own website ensuring direct bookings from the clients
- ✓ Freedom of allotment and price setting: sales by allotment or free sale, last-minute rates, packages etc.
- ✓ Presentation of your hotel with photos and information including the smallest details
- ✓ Profit from our extensive network of partners connected to the system
- ✓ Improve relations with your customers through more direct contact
- ✓ Develop and reach new, unknown and unexpected markets, thanks to website localization
